A New Trustee...

Jeffrey S. Caldwell

*"I welcome Jeff to the Board with enthusiasm. He is no stranger to the Mansion and its challenges. I look forward to his wisdom as we move forward with the mission of the Endowment Fund."*

Carl E. Eastwick,  
GJMEF President and Trustee.

Jeffrey S. Caldwell has been active with the ESB for many years, serving as a Board Member and its President last year. He has been a member of the Education Foundation for several years. In his own words, Mr. Caldwell stated, "I want to serve on the GJMEF Board in order to preserve a rich piece of Baltimore's history as well as to give back to a facility and to the Baltimore engineering community. I have fond memories of learning, presenting, and meeting colleagues and peers within the Garrett-Jacobs Mansion as a young professional. I want to make sure that the rich tradition at the Mansion is sustained for generations to come." Mr. Caldwell has been with James Posey Associates since 1997 following his graduation with honors and highest distinction from Pennsylvania State University where he earned both a Master of Science degree in Architectural Engineering and a Bachelor of Science degree also

in Architectural Engineering. He is a registered Professional Engineer of Mechanical Engineering in Maryland, Virginia, and the District of Columbia. In 2001, he became Maryland's first LEED Accredited Professional Mechanical Engineer. In 2010, he became a Principal of JPA, responsible for the firm's commercial, government, and higher education work.

Outside of work hours, his hobbies and interests include woodworking, roller hockey, and golf. He is married to Sue Caldwell and together they have twin children, Luke and Teigan.

Bruce Votta, GJMEF Trustee and Former President's, endorsement states "Jeff will be a great addition to the Foundation Board. His mechanical knowledge and experience will be very valuable with the ongoing challenges of the Mansion and the mechanical systems." ■

### Baltimore Concert Opera presents "Susannah"

*by Carlisle Floyd*

BCO's first foray into American opera is Carlisle Floyd's beautiful adaptation of the Apocryphal tale "Susannah and the Elders." Set in the 1950s in the backwoods of Tennessee, the opera centers on 18-year-old Susannah, who faces hostility from women in her church community for her beauty and the attention it attracts from their husbands. Susannah also catches the attention of newly-arrived Reverend Olin Blitch, whose own

inner darkness leads to tragedy for Susannah.

### Baltimore Concert Opera presents "Semeramide"

*by Gioachino Rossini*

BCO's celebration of the 225th anniversary of Rossini's birth concludes with what Rossini scholar, Richard Osborne called "Tancredi Revisited." Based on Voltaire's tragedy Semiramis, Rossini's Semiramide is a tour de force of bel canto-era opera seria, employing

vocal virtuosity to communicate gripping drama. Secret identities, power struggles, and murderous intentions come together for a fitting closer to BCO's season operatic tragedies.
