| Full Spousal Privileges | ✓ | ✓ | ✓ |
| Access to Reciprocal Clubs | ✓ | ✓ | ✓ |
| Reserve Rooms for Meetings/Personal Use | ✓ | ✓ | ✓ |

Qualification, Process, and Capital Assessment

Qualifications & Process: A candidate for membership is sponsored by a member of the Club or its management staff, has reached the age of 21 years; and has a baccalaureate or higher degree from an accredited college or university with not less than 2 years of experience in applied practice; or have not less than 6 years of experience of responsible character in their professional field of expertise. Candidates, who submit a completed membership application and credit card authorization form to the Club, will be granted Provisional Membership status (allowing for activity at the Club prior to review and approval by both the Membership Committee and Board of Directors at their regular meetings). Upon Board Approval, a house charge account will be activated in the member's name and membership card will be provided.

Capital Assessment: The Mansion recently added a new vertical addition containing an elevator connecting all floors, ADA compliant restroom facilities and building entry/exit, a state of the art fire suppression infrastructure, a fire-rated exit stair shaft, meeting rooms and needed storage. These changes vastly improve building safety, enhance the ability of the city fire department to better protect the facility from fire damage, and allow patrons with disabilities and other challenges to fully enjoy the Mansion. The ESB Board approved a modest capital assessment lasting five years in order to complete the funding plan. As such, all new members are assessed as follows: Individual and Corporate Sponsored \$25 per month (\$300 per year); PSM, Young Exec, & Junior Exec \$6 per month (\$72 per year)

**Provided other parking options are not made and advertised for a Member Event. ⁺Billed Annually or Quarterly.*
